

PROGRAMME DESCRIPTION

Title: English Language Skills

Develop & improve your command of English on this 50 hour intensive English Language course.

Duration: 50 hours

Preparation: Teachers should be prepared to immerse themselves in the English Language for the duration of the course. They should be open to corrective action and exercises to achieve maximum progress. Course participants are requested to bring their own laptops to use during the course.

Objective: To develop course participants' English language skills and to improve their confidence in the classroom.

Methodology: The communicative approach to language teaching and learning is used in all sessions. Workshops and guest speakers are also used in the course.
