

In The Name Of Love / Locked Away / Perfect

This activity is taken from The Tune Into English Roadshow and was presented in 2016-2017. "Stage directions" are on the left, the spoken words are on the right.

Elicit three.

Elicit the First, Second and Third.

Show the words **Second Conditional** on the screen and play an extract from **In The Name Of Love** by **Martin Garrix & Bebe Rexha** (2016), with lyrics projected, followed by an extract from **Locked Away** by **R. City (feat. Adam Levine)** (2015) with lyrics.

How many Conditionals are there?

What are they?

Elicit Zero Conditional and show the next slide.

So we know there are three Conditionals, but there are in fact more... Apart from Mixed Conditionals, there are also...?

Zero Conditional

If you **mix** blue and yellow You **get** green

Play the chorus of **Perfect** by **One Direction** (2015).

Zero Conditional, because there is no condition, it is always true.

So it seems to me that One Direction are a little too sure of themselves!
